

NOTE: IN PROCESSING REPAIR PARTS, THE following conditions apply:

- (a) Partial Shipments Permitted
- (b) Commercial Packaging Desired
- (c) No Special Repair Parts Box Required
- (d) Marking of individual packages shall be as described in paragraph 3.4 of Military Specification MIL-P-15137C except that both Federal Stock Numbers (FSN's) and manufacturer's service part numbers shall be used when FSN's have been assigned. In no case shall parts be shipped without proper identification to manufacturer's part number.
