

Coded Note Number: **C1100**

Revision: C006

Date: **December 16, 2015**

Title: **Paint/ Marine Coating Batch Certification**

This revision history is provided for convenience and does not alleviate the supplier's responsibility with understanding and complying with the full coded note.

Change from Revision 5 was to update submittal/delivery address and reorganize vendor requirements

Bolded font indicates changed/added content.

[Text deleted] inserted in the document indicates the removal of content.

Submit quantity: two (2) copies

-[Text deleted]

A **Volatile Organic Compound** (VOC) Batch Certification shall be provided with each shipment of material for each individual batch number included in the shipment.

The VOC Batch Certification shall conform to the VOC Data Sheet format and procedures described in the current Title 40 Code of Federal Regulations Part 63 Subpart II Appendix A.

In addition the VOC batch certification must include:

[Text deleted]

A) Purchase order number and **line** item number of each material being **[Text deleted]** delivered;

[Text deleted]

B) Signature of **[Text deleted]** supplier's or manufacturer's authorized representative;

C) **The** date of signing;

D) **A** statement that "the VOC content was determined by USEPA Reference Method 24", or that "the VOC formulation value Presented has a consistent and quantitatively known relationship to Method 24 results".

[Text deleted] Supplier may use his own form.

One **paper** copy of the VOC Batch Certification must physically accompany each shipment of material.

One **additional** copy of the VOC Batch Certification must be sent at the time of shipment via email (preferred), U.S. Mail, or facsimile at the Supplier's option to:
