

D1480 DRAWING FOR APPROVAL FOR REPAIR ITEM

The supplier shall not make any departures from specified drawings and revisions of this purchase order unless specifically stated in this purchase order or authorized by written approval from **Newport News Shipbuilding**.

Submittal of navy and/or commercial drawings for revision approval shall be by Vendor Information Request (VIR) in accordance with Appendix "A". On the VIR, the vendor shall indicate that the submittal is intended to satisfy the requirement of this note.

Drawings shall comply with the requirements of Appendix D.

One reproducible of each revised drawing approved for use on this contract will be required for retention and microfilming after all technical approval actions have been completed.

These final reproducible must produce a satisfactory microfilm. Reproducible must be of such quality that every line and character on the drawing will be clearly discernable on the microfilm. A direct reading reproducible containing sharp, opaque print on a clear or white background is essential.

Final reproducible will be examined to determine conformance with requirements noted above. Drawings found to be unacceptable will be returned to the vendor for rework and replacement at no additional cost to the purchaser.
