**Change from Revision C003– Editorial change to reformat to current standard.**

**Bolded font indicates changed/added content.**

**[*Text deleted*] inserted in the document indicates the removal of content.**

The seller will maintain a system or method of item traceability that ensures tracking of the supply chain back to the Original Component Manufacturer/Original Equipment Manufacturer (OCM/OEM) of all Electrical, Electronic, and Electromechanical (EEE) assemblies and subassemblies either contained in a product or being delivered as a product under this order. Upon HII-NNS request, seller shall provide documentation acceptable to HII-NNS authenticating that an item is traceable to the OCM/OEM.

- A. Seller will immediately notify HII-NNS in writing via Vendor Quote (VQ) submittal or via a Vendor Information Request (VIR) after Purchase Order placement if:
- (1) Seller cannot purchase or acquire authentic components, subcomponents, parts, material, and supplies directly from the OCM/OEM or through an OCM/OEM authorized distributor chain; or
  - (2) Seller or any of its subcontractors at any tier cannot maintain tracking of the supply chain back to the OCM/OEM for EEE.
