

## GENERAL PROCUREMENT SPECIFICATION

The following requirements apply where the seller procures and furnishes material using information provided on drawing material lists.

The following requirements do not apply to material supplied by the buyer.

Electric Boat Corporation Specification 6516 (EB-6516) Revision A forms a part of this order. The provisions outlined in this EB Specification consolidate and invoke general material requirements, including modifications to material specifications, which may or may not be identified elsewhere in this order, and require compliance on the part of the supplier of material delivered to the buyer.
