

Coded Note Number: **F1050**  
Revision Level: **C005**  
Date: **August 17, 2023**  
Title: **DOMESTIC FASTENERS**

Unless otherwise noted in this order, fasteners supplied on this order shall be of domestic manufacture.

Use of foreign raw products (i.e.; billet, wire, bar, blanks) to manufacture fasteners is acceptable, except for alloy steel blanks and NICUAL.

The following fasteners may be imported:

- All sizes of Carbon Steel Grade 2.
- All sizes of machine screws with slotted, cross recessed or square drives, except NICUAL
- Machine screw nuts smaller than one quarter (1/4) inch in diameter, except NICUAL.

Upon acceptance of this order you are expected to be able to provide NNS with chemical and mechanical test reports. Furthermore, you are required to pass all requirements to your suppliers. Failure to do so may result in cancellation of this order with your company.
