Revision: **C001**
Date: **November 30, 2015**
Title: **POTENTIAL ASBESTOS CONTAINING**

This revision history is provided for convenience and does not alleviate the supplier's responsibility with understanding and complying with the full coded note. Change from Revision A was to provide submittal instructions and method/address. Bolded font indicates changed/added content. [Text deleted] inserted in the document indicates the removal of content.

Materials containing asbestos fibers shall not be provided on this purchase order without prior permission from the purchaser. Where invoked specifications or standards permit other materials, they shall be used in lieu of asbestos.

In the event you cannot provide a suitable approved substitute for asbestos, forward a request for approval to use asbestos containing material to our **[Text deleted] Sourcing** department. The request should state rationale supporting approval.

Submittal of supporting data required above shall be by Vendor Information Request (VIR) in accordance with Appendix "A".
