Title: **PACKING AND SHIPPING REQUIREMENTS FOR STRUCTURAL STEEL PLATES**

Packing and shipment shall be such that material is not damaged and that markings remain intact and legible for short time storage and handling after receipt. Packing shall insure maintenance of the degree of cleanliness required for the component or part until delivered and accepted at the shipping destination.

Each plate shall be substantially marked (stamp,ink,paint,etc) on the face at both ends with the following:

- Purchase Order and Item Number
- Heat or Analysis Number
- Size
- Newport News Part Number
- Marking as required by the invoked specification

Note: Marking of Purchase Order and item number, Newport News part number, and heat/analysis number shall be in letters at least 4 inches high.

The use of yellow wrapping is strictly prohibited.

Cleaning and preservation to be performed by the vendor. When paint is to be applied, the paint will be supplied by Newport News Shipbuilding by subcontract and shall be chromate and lead free.

Material is for domestic shipment and immediate use.
