[*Text deleted*] inserted in the document indicates the removal of content.

Commercial technical manual inserts are to be furnished and shall include-installation, operation, trouble shooting, maintenance and lubrication instructions; outline drawings showing overall dimensions; exploded views; list of repair parts as follows:

- (A) Sets - Preliminary manual inserts.
- (B) (Note 1) Sets - Final manual inserts.

Notes:

- (1) Quantity of final manual inserts will be determined after approval of preliminary inserts.
- (2) Manual inserts for approval to release manufacture must be received in Newport News, Virginia on or before ____.
- (3) The shipbuilder will supply covers, APR pages, and NAVSEA/TMINS numbers for manual inserts.
- (4) If complete technical manuals exist identical to those previously approved, they shall be furnished in lieu of above inserts and will retain their originally assigned NAVSEA/TMINS number.
