Quantity: Seven preliminary technical manual inserts.

Camera-ready technical manual inserts, as specified in Section III, Paragraph B of Appendix E for inclusion in Type I technical manuals prepared by others. Vendor to provide one camera-ready insert package for each manual application. Develop text and artwork using Microsoft Word and native AUTOCAD (\*.dxf/\*.dwg format with accompanying paper proof copy). Before developing or shipping electronic source files contact AMSEC LLC to verify compatibility with our electronic publishing system. Please provide internet addresses for source information regarding the equipment supplied on this purchase order (vendor web pages, FAQ sheets, technical support, and points of contact).

Submit technical manual inserts to Newport News Shipbuilding, no later than 20 business days after receipt of purchase order.

Note:

Seven preliminary technical manual inserts are required for approval, prior to the camera ready submittal, for each technical manual application.

The preliminary inserts must be complete including all drawings and illustrations if available. If drawings are not available, a sheet stating "A print of drawing no.-----will be inserted here in the final technical manual" shall be included for each drawing.
