Forward deliverables herein to:
AMSEC LLC,
5200 West Mercury Blvd
Suite 250
Hampton, VA 23605
ATTN: Source Document Review Supervisor

Quantity: one complete digital file package of preliminary technical manual inserts.

Final digital copy of technical manual inserts, as specified in the "Appendix E, Summary of Technical Manual Contract Requirements" document for inclusion in technical manuals prepared by others. Vendor to provide one final digital (reproducible) copy of insert package for each manual application on a cd. Develop text using Microsoft Word and artwork in the following vector file formats: *.dwg, or in a mutually agreed upon electronic media between the supplier and Newport News Shipbuilding. Before developing or shipping electronic source files, contact AMSEC LLC to verify compatibility with their computer software applications. Internet addresses shall be provided if they exist for source information regarding the equipment supplied on this purchase order (vendor web pages, FAQ sheets, technical support, and points of contact). A hard copy deliverable is unacceptable for the purposes of this coded note.

Submit technical manual inserts to Newport News Shipbuilding (NNS), no later than 20 business days after receipt of purchase order.

Note:

One cd containing an electronic copy of the technical manual inserts in the format as listed above.

The preliminary inserts must be complete including all drawings and illustrations if available. If drawings are not available, a sheet stating "A print of drawing no. _____" will be inserted here in the final technical manual": shall be included for each drawing.
