

Coded Note Number: **M1570**

Revision: **C001**

Date: **August 24, 2012**

Title: **TECHNICAL MANUAL WORK/DELIVERABLES NOT REQUIRED**

No technical manual work or deliverables are required.

Hardware ordered by this purchase order item is associated with an existing, Navy-approved technical manual. If any technical manual information or support is required from the supplier regarding this hardware, then HII-NNS will provide instructions and/or a scope of work via a separate purchase order and/or line item.
