Date: **June 27, 2017**

Title: **PROHIBITION OF MERCURY (SERVICE)**

This revision history is provided for convenience and does not alleviate the supplier's responsibility with understanding and complying with the full coded note.

Change from Revision A– Editorial change to reformat to current standard.

Bolded font indicates changed/added content.

[*Text deleted*] inserted in the document indicates the removal of content.

Mercury, compounds of mercury, or any device which contains mercury and has only a single boundary of containment must not be brought near or into contact with:

- A. All areas of Newport News Shipbuilding
- B. All areas aboard U.S. Navy ships under construction, overhaul, or repair;
- C. The material(s) or area(s) on which the services of this purchase order will be performed.

If a mercury-containing device must be used in the performance of these services, prior written approval must be obtained from the manager of Quality Assurance of Newport News Shipbuilding.
