VIBRATION QUALIFICATION OF FIRST TIME MANUFACTURER

N2910 - Vibration QUALIFICATION OF FIRST TIME MANUFACTURER

This PO item is required to meet MIL-STD-167-1 vibration as designated. However, Northrop Grumman Shipbuilding - Newport News (NGSB-NN) is responsible for obtaining the vibration qualification of this item and has, or will, perform the testing or analysis required to obtain vibration qualification. The manufacturer is not required to provide vibration qualification data.
