

Coded Note Number: **N3150**

Revision: **C001**

Date: **February 23, 2013**

Title: **CORRELATION LIST OF CASTINGS/WELDS THAT REQUIRE RT/UT INSPECTION**

QUANTITY: THREE (3) COPIES

Correlation List - List shall identify all castings/welds that require radiographic/ultrasonic inspection in assemblies (such as pumps, hoist and turbines) that have multiple castings/welds, some of which are inaccessible after assembly.
