

Coded Note Number: **Q4080**

Revision: **C004**

Date: **December 18, 2012**

Title: **NEW EQUIPMENT SHOP TEST REPORT ON EACH UNIT**

Quantity: As Required

Forward deliverables herein to:

Newport News Shipbuilding  
4101 Washington Avenue  
Newport News, VA 23607  
Attn: E45 Software Coordinator  
Bldg. **902-2**

The "Equipment Test Report" shall include all data (numerical and/or graphical) necessary to verify that each component meets the performance criteria specified by this purchase order. The report shall be shipped with the component. NNS will not accept receipt of the component without the accompanying Equipment Shop Test Report. The test report shall be in accordance with Newport News Procedure E-167, "Shop Test".

The New Equipment Shop Test Report may be submitted to Newport News Shipbuilding for approval via Vendor Information Request (VIR) in accordance with Appendix A. If used, on the VIR the vendor shall indicate that the submittal is intended to satisfy the requirement of this note.
