

V1010 - VENDOR INFORMATION REQUESTS

It is imperative that the purchaser be advised of and approve all departures and all proposed departures from the requirements specified herein. All such requests are to comply with the section in our Appendix "A" titled "Vendor Information Requests". Examples of departures are: changing specifications; offering an alternate vendor model/type/style/ or part number; using later or earlier issues of specifications (both primary and sub-tier); non-compliance with drawing requirements; requests for repair welding; weights exceeding those given in quotation; etc.

Forward Vendor Information Request (VIR) Form 3409 to:

Newport News Shipbuilding
4101 Washington Avenue
Newport News, VA 23607
Attn: E45 Software Coordinator, Bldg. **600-1**

A copy of each resolved and approved VIR applicable to a material item must be included with each shipment of material.
