

Coded Note Number: **W3100**

Revision: **C001**

Date: **November 07, 2019**

Title: **NO BASE METAL WELD REPAIR WITHOUT APPROVAL**

1. Any base metal weld repair requires Vendor Information Request (VIR) approval from NNS in advance, for each specific case.
2. In cases where VIR approval to perform base metal weld repair is requested, NNS approval of the specific base metal weld repair application and weld repair procedure is required. Details/Plan for the weld repair shall be submitted with the VIR.
