QUANTITY: TWO (2) COPIES:

[Text deleted]

An Open Inspection List identifying the repairs, replacement parts, and processes (i.e. Welding, non-destructive examination, etc.) necessary to restore the equipment to original operating condition shall be submitted to NNS for evaluation within 15 days after your inspection.

The Open Inspection List shall be accompanied by any later dated or superseding documents (i.e. Drawings, weld procedures, etc.) applicable to this repair that have not been previously approved by NNS for this equipment on the purchase order referenced herein prior to being utilized in the authorized repair.

[Text deleted]

A purchase order modification may result from the Open Inspection List evaluation to support certification of replacement/ repaired level I parts, fabrication and inspection processes and/or provide additional instructions, etc.
