

Coded Note Number: **Y2130**

Revision: **C001**

Date: **October 12, 2017**

Title: **WELDING & NDT DONE AT NNS**

This revision history is provided for convenience and does not alleviate the supplier's responsibility with understanding and complying with the full coded note.

Change from Revision A – Editorial change to reformat to current standard.

Bolded font indicates changed/added content.

[Text deleted] inserted in the document indicates the removal of content.

Whenever this order requires welding and/or non-destructive testing (NDT) to be performed on-site at NNS, the supplier/subcontractor shall have at the work site one copy of each of the following:

- (1) Weld procedure(s) and/or NDT procedure(s) used, and
- (2) All required welding and NDT personnel qualification records for the personnel performing the work.
