Appendix A, ozone depleting substances (FAR 52.223-11 and FAR 23.8):

The following applies to Class I ozone depleting substances:

Until such time as Class I ODS's are eliminated from military drawings and specifications (including second tier, i.e., those specifications listed in the specifications listed on the drawings), the following shall apply:

- A. The contractor shall use a government approved non-ozone depleting substance.
- B. If a government approved non-ozone depleting substance is unknown/unavailable, the contractor shall contact NNS for an acceptable substitute, an alternative process or a waiver of the requirement.
