Title: **SSP E-1016 CLEANLINESS INSPECTION REQUIREMENT**

For HII-NNS Internal Use Only:

This material requires a joint SUPSHIPNN / HII-NNS cleanliness inspection in accordance with the requirements of SSP E-1016 before the material is acceptable for use by HII-NNS.

In accordance with the requirements of SSP E-1016, the inspector shall notify both the SUPSHIPNN representatives and the HII-NNS representatives listed in SSP E-1016 that the material is available and that a cleanliness inspection is required.
